Subject: **First Accreditation**

Dear Sir,

NABL is pleased to grant the accreditation in accordance with ISO 15189:2012 in the field of medical testing for the disciplines of Clinical Biochemistry, Clinical Pathology, and Haematology as per the scope recommended by the assessment team. However, the following is also advised which the laboratory has to address and same to be verified in the next assessment:

- Improvement of % CV for the test at S. No. 83 in Form 72.

Further, recognized the declared sample collection facility (SCF 0005722) of the laboratory as recommended by the assessment team based.

All the personnel proposed by the laboratory to review the results and authorize the release of reports are accepted.

With respect to the persons to review the results and authorize the release of reports, it is the responsibility of the laboratory to abide by the National/ Regional/ State/Local regulatory requirements/ Acts/ Rules/ Legal orders/ Court Decisions/ Orders issued by Government/ Statutory Bodies as applicable and effective from time to time.

Certificate No for your laboratory is MC-5269, Issue date: 14.07.2022, Validity date: 13.07.2024.

Onsite surveillance will be conducted in the first year of the accreditation cycle.

CAB has to comply with NABL 133, Use of NABL symbol.

Yours Sincerely,

Syed Tahira Rizvi
