Apollo Preventive Healthcare Program

The Apollo Group has been a pioneer in the area of preventive healthcare through Apollo Health Check-Ups. With an experience of over three decades in the area of preventive healthcare, a range of tailor-made packages have been developed to cater to the needs of a wide cross section of individuals. The health packages offered by Apollo Bhubaneswar are:

Apollo Master Health Check

Recommended for male and female below 35 years.

Apollo Personalized Health Check

Recommended for personalized health check.

Apollo Heart Check

Recommended for persons with cardiac symptoms/risk factors.

Apollo Whole Body Check

Recommended for people desiring a more comprehensive check up.

Apollo Well Women Check

Screening for gynecological ailments.

Apollo Child Health Check

Health screening for children immunization

Apollo Senior Citizen Package

For elderly people (above 60 years of age)

Apollo Health Check - Also on Sundays

LABORATORY REPORTING ATTRIBUTES AND CONDITIONS

1. Lab reports along with relevant clinical examination shall achieve the final diagnosis. Individual report cannot be considered as conclusive.
2. The test results are to be used for clinical diagnosis or treating medical disease and not for forensic application. Hence these results cannot be used for medico-legal cases.
3. All disputes or claims concerning to this report are subject to Khorda Jurisdiction only.
