MEDIWHEEL-FULL BODY CHK-BELOW40-MALE

Namaste Mr. SUNNY ASODIYA,

Thank you for choosing Apollo ProHealth, India's first Al-powered health management program, curated to help you make positive health shifts. Being healthy is about making smart choices, and you have taken the first step with this program. We are privileged to be your healthcare partner. Your health is our priority.

We are with you on your path to wellness by:

Predicting your risk: Artificial Intelligence-powered predictive risk scores are generated, based on your personal, medical, and family history and detailed multi-organ evaluation of your body through diagnostic and imaging tests.

Preventing onset or progress of chronic lifestyle diseases: Your Health Mentor is available to help you understand your physician's recommendations and helping you handle any concerns (complimentary service up to one year)

Overcoming barriers to your wellbeing: Your Health Mentor will help you set your health goals and guide you with tips to stay on track. We will also, digitally remind you to proactively prioritize your health.

Through this report, you will be able to understand your overall health status, your health goals and the recommendations for your path to wellness. Your Health Report will include the following:

- Your medical history and physical examination reports
- Results from your diagnostic and imaging tests
- Al powered health risk scores
- Your physician's impression and recommendations regarding your overall health
- Your personalized path to wellness, including your follow-up assessments and vaccinations

We have reviewed the results of the tests and have identified some areas for you to act on. We believe that with focus and targeted interventions, you can be healthier and happier.

Sean the QR code to download the Apollo 247 App

You can visit your proHealth physician in person at this center, or you can book a virtual consultation for review via www.apollo247.com or through the Apollo 24*7 mobile app. You can avail 30% discount on additional tests and follow-up tests at Apollo Hospitals within one week. You may call your Health Mentor on 04048492633 or email at prohealthcare@apollohospitals.com

Stay Healthy and happy! ① Apollo ProHealth Care team

Disclaimer: The services offered in the program may vary depending on any prior mutual agreements between guests and the facility/unit.

USG WHOLE ABDOMEN

FINDINGS:

Liver appears normal in size and shows uniform bright echotexture. No evidence of focal pathology seen. Intra and extra hepatic biliary radicles are not dilated. Portal vein is normal in calibre. Intrahepatic portal radicles appear normal.

Gall bladder appears normal with no evidence of calculus. Wall thickness appears normal. No evidence of pericholecystic collection.

Visualized Head and body of pancreas appear normal in size and echotexture. No focal lesions identified. Pancreatic duct appears normal in caliber.

Spleen measures 9.6 cms and shows uniform echotexture.

Both kidneys are normal in size and show normal echopattern with good corticomedullary differentiation. Cortical outlines appear smooth. Pelvicalyceal system on both sides appears

Few (2-3) calculi noted in both kidneys, largest measuring 4 mm in lower calyx of right kidney and 5 mm in lower calyx of left kidney.

No evidence of ascites or lymphadenopathy.

Urinary bladder is normal in contour and outline. Wall thickness appears normal. No evidence of any intraluminal pathology seen. Prostate is normal in size and echopattern.

IMPRESSION:

Grade I fatty liver.

Bilateral renal calculi.
