## Health Report

Patient Name : Bibhuti Bhushan  
Age/Gender : 28 Y/Male

Dear **Bibhuti Bhushan**

Thank you for choosing Apollo ProHealth, India's first AI-powered health management program, curated to help you make positive health shifts. Being healthy is about making smart choices, and you have taken the first step with this program. We are privileged to be your healthcare partner. Your health is our priority.

We are with you on your path to wellness by:

**Predicting your risk:** Artificial Intelligence-powered predictive risk scores are generated, based on your personal, medical, and family history and detailed multi-organ evaluation of your body through diagnostic and imaging tests.

**Preventing onset or progress of chronic lifestyle diseases:** Your Health Mentor is available to help you understand your physician's recommendations and helping you handle any concerns (complimentary service up to one year)

**Overcoming barriers to your wellbeing:** Your Health Mentor will help you set your health goals and guide you with tips to stay on track. We will also, digitally remind you to proactively prioritize your health.

Through this report, you will be able to understand your overall health status, your health goals and the recommendations for your path to wellness. Your Health Report will include the following:

- Your medical history and physical examination reports
- Results from your diagnostic and imaging tests
- AI powered health risk scores
- Your physician's impression and recommendations regarding your overall health
- Your personalized path to wellness, including your follow-up assessments

We have reviewed the results of the tests and have identified some areas for you to act on. We believe that with focus and targeted interventions, you can be healthier and happier.

You can visit your ProHealth physician in person at this center.

Stay Healthy and happy!

Apollo ProHealth Care team

### Respiratory System

Breath Sounds : Normal

## Work Life Style

Exposure To Computer : Medium

## Happiness Score

Sleep Quality : Good  
 Stress At Home : No  
 Stress At Work : No

## Apollo's Artificial Intelligence Enabled Risk Scores

Based on current parameters, personal family history, AI enabled tools derive health risk scores to alert guest on his/her likely predisposition to a disease to aid early detection early medical intervention to mitigate the risk.

### AICVD Risk score Low Risk

Report Name	Your Score	Acceptable Score
<b>Risk of Heart Disease</b>	<b>2</b>	<b>3</b>

Info: Your likelihood to Cardiovascular disease is with in acceptable range to other people of your age & gender in next 10 years

**Note:** The AICVD Cardiac Risk Score developed by Apollo Hospitals is a novel artificial intelligence-based risk scoring system that predicts your risk of having Coronary Artery Disease (CAD) related events in the next ten years. This scoring system uses Indian data and has been validated by multiple national and international institutions. This risk score is more than 92% accurate and has been compiled based on your physical parameters, heart health attributes, lifestyle and medical history.

### Pre-Diabetes Risk score Low Risk

Report Name	Your Score
<b>Prediabetes</b>	<b>0.9 / 100</b>

**Note:** The Apollo Hospitals Prediabetes Risk tool is a comprehensive, community-based risk assessment tool for the early diagnosis of prediabetes (before estimation of blood glucose or HbA1C). This tool compiles data based on your physical parameters, lifestyle, and health attributes and assesses whether you have a low, medium or high risk for undiagnosed prediabetes. The tool has been developed based on Indian demographics and has more than 90% accuracy.

### DISCLAIMER:

1. This test only derives the risk score to alert the guest of his/her likely risk predisposition to a disease. It is not a diagnostic tool and does not guarantee the accuracy of the result and cannot be independently acted upon.
2. This risk score and clinical algorithm is a general guideline for physicians. Any additional laboratory investigations, diagnostic imaging, treatment, or patient education related to lifestyle management is under the physician's or cardiologist's discretion.
3. To ensure the information in the report is up to date, accurate, and correct, the doctor shall be consulted for interpretation of the report.
4. Apollo clinic and its staff do not offer any assurance on the information made available or be liable for any loss or damage as the said report is based on the AICVD cardiac risk score without any intervention from their side.
5. It is deemed that by providing consent to derive the risk score, the guest has done so at his/her own risk and further agrees with this disclaimer without any limitation to any clauses or sub-clauses.
